

# TSA–Approved Luggage Lock

## Instruction Manual

### 1379

Default combination is set to 0–0–0. To set your own combination, please follow the below steps:

1. Keep the lock in the CLOSED position, set dials to current combination.
2. Press the reset button on the back using a tool.
3. Set desired combination by turning dials, e.g. 8–8–8.
4. Press the button at the top, the cable will pop out and the button on the back will also pop out.
5. Now the combination is set, repeat the steps 1–4 to change combination again.

How To Use:

1. Turn the dials to your combination, press the button to release cable.
2. Insert the cable until it clicks. Scramble the dials to secure lock.

**Customer Notice:** Using this Travel Sentry® Approved lock allows your luggage to be opened, inspected and relocked by security authorities without damage.
